Complaint

comes now the Plaintiff, Jonathan Lee Riches©, in pro-se, moves this court under 42 USC 1983 and a TRO Restraining order forbidding Alycia Lane from harassing me at FCI williamsburg. Defendant Lane has been trying to get the big scoop on me. She found out abo my Lawsuit against Lisa Nowak the Astronaut in orange county FL. I'm in Solitary confinement, an Eyewitness News is at my door, banging, screaming, kicking to speak to me. Lane Knows about my county Lawsuit Against senator craig in Minnesota, Against Allen Iverson in Denver county, and Against DMX Earl simmons in Phoenix. Eyewitness news helicopters are keeping me awake above the sky, releasing CO_2 emissions. Lane has been calling me on the Phone, I'm on the do not call list, My civil Rights are violated, I have old Artifacts from Valley forge, Alycia was trained by the cia, it's part of her first name. I seek $62 million in damages from my mistreatment at FCI williamsburg that violates my eighth amendment rights.
